GOVERNMENT-ACADEME-INDUSTRY NETWORK, INC. (GAIN)
2018 NATIONAL CONVENTION
Theme: "Are We Ready for the 4th Industrial Revolution?
Preparing the Philippine Workforce"
GAIN Resolution No.001 Series 2018-2019

Recognizing the key role of Filipino workers in achieving the priorities of the Philippine Government to accelerate human capital development, increase growth potential, and create an enabling and supportive economic environment, the Government-Academy-Industry Network (GAIN), in collaboration with stakeholders from the government, academe and industry, have organized the 1st GAIN National Convention on February 8, 2018 at the Heritage Hotel, Manila, Philippines.

Preparing for the needs of the Filipino workforce to remain globally competitive during the Fourth Industrial Revolution and the global mobility of talent under the Philippines' membership in the ASEAN Free Trade Agreements;

NOW, THEREFORE, in view of the above premises, the delegates of the Government-Academy-Industry Network (GAIN) 2018 National Convention do hereby adopt "GAIN 2018 Resolution on National Competitiveness in the 4th Industrial Revolution" and **do hereby agree to:**

1. PAVE the path for government, academe and industry to identify and address workforce issues which can only be resolved through the collaboration of government, industry and academe;
2. ACT as a partner in ensuring global competitiveness of our Philippine graduates and workforce by adhering to international standards in English, Technology, and other competencies across Professional Disciplines; and to draft and implement the necessary roadmaps and strategies to safeguard and enhance these competencies;
3. RECOGNIZE the importance of English proficiency as a key national competitive advantage for the continued growth of the Philippine economy;
4. For Government to adopt a National Standard for English Language Competency aligned with the Common European Framework of Reference for Languages (CEFR) by 2020 to ensure global competitiveness especially in the areas of Academe and Industry;
5. For Academe to aim for at least a CEFR B1 for Basic Education Graduates, at least a CEFR B2 for Educators and Higher Education Graduates, and a CEFR C1 for English teachers by 2020, and to implement the necessary changes and updates in curricula and educational policies to make this a reality; and
6. For Industry and Human Resource Practitioners to highly prefer and/or require at least a CEFR B2 for employees and new hires by 2020.

Signed this 8th day of February 2018 during the 1st GAIN 2018 National Convention at the Heritage Hotel, Manila, Philippines.
